Vantage

Vantage is an affordable tracking and security solution with integrated GPS technology. It has a range of useful features that go that extra mile of giving you peace of mind.

In the unfortunate event of theft, the Vantage unit will be activated and will provide Tracker's control centre with regular GPS positions. Tracker's control centre will then liaise directly with the police to aid tracking using Tracker's unique relationship with all UK police forces.

Features of Vantage

- GPS based vehicle and asset tracker
- Motorcycle Movement Alert
- Motorcycle Battery Disconnect Alert
- Nationwide support from all UK police forces
- 24/7 monitoring via Secure Operating Centre
- Thatcham S7 Accredited
- European coverage
- Full 12-month warranty
- Covert installation from your Harley-Davidson dealership
- Access to Tracker Touch app
